What are cookies?

For a user-friendly website and customizing our website's needs, our portal uses cookies. A cookie is a small file that is stored locally on your computer when you visit a website. Cookies also allow us to analyze the use of our website. They do not include any personal data and you cannot be identified by them on third-party websites - including analytics providers' sites.

What kind of cookies use our website and why?

We use necessary cookies to help make our website (Data Controller: Office for Personal data Protection of the Slovak Republic, Hraničná 12, 820 07 Bratislava, statny.dozor@pdp.gov.sk [1], 004212/32313214) usable by enabling basic functions like page navigation and access to secure areas of the website. The website cannot function properly without these cookies. We process such data on the basis of Art. 55 (5) Act no 351/2011 Coll. on Electronic Communications. Data will neither be shared with third parties nor transferred to third countries/international organisations.
